Dear Parents and Caregivers,

Term 3

19th August 2021

Issue 13, Week 6

Last term we asked all our parents and/or carers to complete the *Tell Them From Me* survey. The 'Partners in Learning' Parent Survey was based on a comprehensive questionnaire covering several aspects of parents' perceptions of their children's experiences at home and school. The survey provides feedback to schools about the extent to which parents feel the school supports learning and positive behaviour and promotes a safe and inclusive environment.

The survey included seven separate measures, which were scored on a ten-point scale. The scores for the Likert-format questions (i.e., strongly agree to strongly disagree) have been converted to a 10-point scale, then averaged and reported by question and by topic. A score of 0 indicates strong disagreement; 10 indicates strong agreement; 5 is a neutral position (neither agree nor disagree).

This report provides results based on data from 62 respondents in this school who completed the Parent Survey between 27 May 2021 and 25 Jun 2021.

The *spider diagram* below gives a summary of these results and a comparison of our results with the 'region'. The region is the mean or average score of all schools in Catholic Education - Diocese of Parramatta.

This information is vital as it has affirmed some of our current practices and processes. However, it will also be used to assist with planning our improvement agenda for 2022 and beyond.

At Holy Family we are:

- Safe
- Respectful
- Responsible
- Learners
